

# You Take

By Jeff Gardner

*Each Morning, I awake, another recipe to make  
So many eggs I have to break, you know I have so much at stake  
But you take*

*People running in and out, they want it now - they sometimes shout  
There's just so much that I can do, but none of them can hold a candle to you  
'cause you take*

*Everything I bake, you take - you take the cake  
Yeah, you take the cake*

*Sometimes I leave them out to cool on the table - man what a fool  
Tres leches, or Boston cream pie - they're always gone in just the blink of an eye  
'cause you take*

*No Betty Crocker or Duncan Hines - just the finest recipes I can find  
You know I've got ingredients to make your heart flutter  
Real vanilla, sugar and creamery butter  
Yeah you take*

*Everything I bake, you take - you take the cake  
Yeah, you take the cake*

*Maybe I could stop you but I'm just too humble  
If I try to speak the words come out in a jumble  
By now I should know that it's useless to grumble  
I guess that's just the way, just the way that my cookies crumble*

*Everything I bake, you take - you take the cake, yeah, you take the cake*

*Seven layer, Sacher Torte, Yellow Pound, Strawberry Short  
Pineapple Upside-down, Marble Bundt, Angel Food and Devil's Food  
You Devil You, what more do you want?*
